

# Forward with Phonics

*Training delivered by the Specialist Advisory Teachers for Cognition and Learning  
for SENCos & Teaching Assistants*

**Forward with Phonics** is our Phase 3 to 5 phonics intervention for children from Year 2 upwards who have not made progress despite catch up using the school's systematic synthetic phonics programme. The step-by-step lesson plan can also be used with resources from the school's programme. This is one of the interventions recommended on our recent well received Persistent Literacy Difficulties course.

**It is a highly structured intervention (one to one or very small group) which makes explicit the vital link between oral blending and segmenting and word reading and spelling.**

It uses a hands on approach, super high levels of modelling and fun visual resources to engage children and secure progress.

The practical training session will provide clear modelling of how to carry out the assessment and deliver the intervention effectively.

A comprehensive set of resources will be emailed to delegates after training so that you will have everything you need to get started.

**Cost: £60 per person**

For booking instructions, see overleaf.

**Please make sure you select the correct venue.**

**Please note: We are unable to accept cancellations once a place has been booked.**

*Recent feedback from delegates*

Engaging, informative,  
lots of resources.

Very useful strategies that  
can be applied in our setting.

## Forward with Phonics Training

### Autumn Term 2025
