The service plays a crucial role in ensuring that children and families receive the necessary guidance and assistance during challenging times. This level of support is incredibly valuable and can make a significant difference in the lives of those it touches

Katharine and Lisa's professional yet personable demeanour allows them to quickly build rapport with families. Their non-judgmental approach ensures parents feel listened to and understood.

The transition support for us as a school has always been excellent, with their strong links to secondary's and the work completed with the children, they bridge the move from primary to secondary.
