DSPL9 Specialist Secondary Transition Support

Within the DSPL9 team we have a Specialist Transition outreach worker. They offer (subject to criteria):

- 1:1 bespoke support for children in year 6 (without EHCP) moving up to a community secondary school, who have (including their family), complex needs that require intensive involvement to ensure a successful transition.

September/October

We offer surgery-style sessions in primary schools for parents of year 6 students providing:

- secondary transition advice to parents starting the process,
- how best to use the Hertfordshire application systems
- practical advice on supporting their child into secondary life.

March allocation day onwards

We offer surgery-style sessions in primary schools for parents on next steps including:

- what to do next if they are unhappy,
- advice on appealing
- practical advice on supporting their child into secondary life
